Re: THE LAUNCHING OF MISSIO BUEA IN THE DIOCESE OF BUEA

May God our Father and the Lord Jesus Christ in communion with the Holy Spirit give you grace and peace.

As a follow-up to the circular letter DB/B-BPL-017/2026/2 of 7th February 2026, I write to you at this moment when we launch the activities of **Missio Buea** in all the parishes in the Diocese of Buea to reiterate the idea and necessity of **Missio Buea**.

In the circular letter DB/B-BPL-017/2026/2 of the 7th February 2026, we stated that: "**Missio Buea** was created as an arm of the Pontifical Mission Society in the Diocese of Buea in order to raise and strengthen the missionary awareness of the faithful of the Diocese of Buea, as a community of learning, prayer and solidarity in the diocese of Buea; and equally to raise funds and provide pastoral, financial and non-material support to needy parishes and institutions within the diocese of Buea and beyond....."

It is worth noting that, before the creation of **Missio Buea** in the Diocese of Buea, various structures already existed which addressed the needs of Christians, such as Caritas, Justice and Peace Commission and the Family Life Apostolate.

However, due to the growing needs of Christians and the need for more effective support, some projects carried out by these institutions were overburdened. **Missio Buea** was created to ensure a fine balance and support to these existing structures in order to ensure that projects are well carried out, and more effective out-reach is done to areas that needed additional support. This initiative not only aids evangelization but also provides a supportive structure for the Christians of the Diocese of Buea and beyond. By providing a coordinated approach, **Missio Buea** will enhance the impact of these organizations, ultimately strengthening the Church's presence in the community.

The creation of **Missio Buea**, does not replace the already existing Institutions, but serves as an umbrella organization, coordinating and amplifying their efforts.

Missio Buea will not carry out projects as such, but it will raise funds, approve, and fund approved projects that have been submitted to the office by various individuals, parishes and services in the Diocese of Buea. These individuals, parishes and institutions will implement these approved projects and furnish the **Missio Buea** office with the required report.

As we launch Mission Buea on Sunday 15th February 2026, all the Deans and respective Parish Priests, heads of Diocesan institutions and services, will begin the sensitization of the yearly minimum donation of 1000 XAF donated by every Christian in and out of the Diocese of Buea and by people of Good will.

Missio Buea cards will be established as well for easy follow-up and acknowledgment of the donations received.

Once the donations are collected, they are to be deposited in the **Missio Buea** account at **REPAFIN**

Account Name: **Missio Buea**

Account Number: **1000137310187201**

It is our prayer and wish that these contributions will enable the Church in the Diocese of Buea to continue to foster a compassionate and just society where individuals and communities thrive by supporting each other and reflecting the love and teachings of Christ.

Yours in His service,

+Michael MIABESUE BIBI

Bishop of Buea
